

We invite you to become a Friend of Freedom Park, the City of Atlanta's largest public park at more than 210 acres of passive green space. Freedom Park is surrounded by an eclectic collection of neighborhoods including the Old Fourth Ward, Inman Park, Poncey Highlands, Candler Park, Lake Claire, Druid Hills and Virginia Highland.

The Freedom Park conservancy is a 501c(3) nonprofit organization whose mission is to promote the improvement and preservation of the park for the benefit of a diverse public. Since March 2007 Freedom Park has been designated as an Atlanta Public Art Park to serve as a venue for the installation of temporary and permanent public art and sitting works of sculpture, for the purpose of introducing the arts to the citizens of the City of Atlanta.

Please support the Freedom Park Conservancy in our efforts to maintain and bring improvements to Freedom Park.
